President's Message—February 2018

2018 is here and while I say, 'Thank You' for the confidence you have shown in me by electing me to serve as your President for the next two years, I also have confidence that all of you will be working alongside me and the newly elected officers to accomplish all we have in front of us.

At the February meeting, our donations will go to [Project Sanctuary](#). Each month, watch our **new abbreviated** newsletter for the recipient of these funds. **Project Sanctuary** is a therapeutic military family program that focuses on the needs, challenges and concerns that our military families face every day, taking military families from BATTLE-READY to FAMILY-READY. The Board vets any charity who receives our donated funds: Project Sanctuary is rated a Four Star Charity by Charity Navigator. If you have an organization you would like us to consider, please give us the name.

Please consider purchasing an ad in our Membership Directory. You'll find details on page 4, and at <http://www.dcrw.org/ad-purchase/>

March 6th is Caucus! The caucus system is grassroots politics at its best. Caucus is a meeting of the registered Republicans within a precinct for the specific purpose of selecting representatives to participate in the party's election process. It is at your precinct caucus that you have an opportunity to play a key role in Colorado's political system by selecting representatives from among your Republican neighbors to be *precinct committee people* and *assembly delegates*. If you haven't done so in the past, please give consideration to not only attending your caucus, but in running to be elected as a precinct person or delegate. We as Republican women need to step forward! Please visit dcgop.org and find the location of your meeting. You know the old saying, 'if you want something done, ask a woman' -- the Caucus is our chance to DO IT.

February Speaker: John Voehl

(continued from page 1)

John Voehl leads something of a double life. A retired Lockheed aerospace engineer from Littleton, he's also a husband and grandfather. But to thousands of people across the country, he's Abraham Lincoln, the 16th President of the U.S.

In his first 20 years of Lincoln work, John Voehl has provided over 1,100 Lincoln presentations and appearances in 42 states to become a nationally recognized Lincoln Historian and Presenter. John utilizes over 50 different motivational and historically accurate portrayals which exemplify Lincoln's virtuous and inspiring character traits, while making the persona of Abraham Lincoln come alive.

“As the 16th President, I was the first Republican, the first with a beard, the tallest, the first born outside of the original 13 colonies, the only one with a patent, the one who granted the most pardons, and probably the strongest and one of the few poets.”

We've chosen Project Sanctuary to receive donations from our table buckets.

Project Sanctuary is a charitable organization founded by a former Parker resident that receives top ratings from charity watchdogs Guide Star and Charity Navigator; it serves the military in Colorado, working with veterans and active-duty personnel and their families. From their website <https://projectsanctuary.us/who-we-are/> we hope you agree they are worthy of our recognition:

- **Founding Principle:** The whole family serves, and the best way to “support the troops” is by supporting the family.
- **Vision Statement:** Project Sanctuary will assist military service members returning from our nation's wars and conflicts by reconnecting the family unit through a holistic approach, healing the effects of war, treating all members of the family at their level of need, and enabling the service members to reintegrate into their families and communities in a healthy and sustainable manner, resulting in preservation of the family unit and strengthening of the community, the military and the country.
- **Mission Statement:** Project Sanctuary takes our military families from battle-ready to family-ready by providing six-day, outdoor, therapeutic retreats in a healing environment and ongoing family support services for two years following each retreat.
