# President's Message—January 2020

Happy New Year!

I hope you've enjoyed your time with your family and friends this Christmas and are feeling joyful and optimistic about 2020. This is the year we need to speak up and counter the negative and inaccurate information spewed by the liberal media and the Democrat leaders.

Please stay informed and look for opportunities to explain what it means to be a conservative caring for our country and community. This is not the year to sit on the political sidelines. To start the New Year right, you'll hear a **status update on the National Popular Vote (NPV) issue** at our January meeting.

The Republican Caucus will be on March 7th – this is a great way to start getting involved in helping the Republicans in Colorado. People who attend caucus will be the first asked about working the elections in 2020. Please think seriously about getting involved in *election integrity*. Republicans will staff 50% of the poll watchers and judges.

Mark your calendars for the third Wednesday of the month, so you don't schedule anything that will interfere with your DCRW meeting, would love to see every member (and guests) at each meeting from now until May, then again starting in September.

May your New Year be blessed and may we all remember how fortunate we are to live in the greatest nation in the history of mankind.

Let's **MOVE FORWARD WITH FAITH, HOPE and HARD WORK!**

***Barbara Piper, President***  
***Douglas County Republican Women***

Previous to being appointed Undersheriff she served as the Chief of the Administrative Services Bureau for 4 years, which oversees Detention and Court Security, Civil and Warrants, Information Technology and Dispatch. Previous to that she served as the Chief of the Law Enforcement Bureau for 4 years, which oversees the Patrol and Investigations divisions. She also served as Director of the Colorado Regional Computer Forensics Laboratory from 2001 through 2004 and has specialized training in Computer Forensics.

Her interests and special training have included crimes against children, computer crimes, technology, officer wellness, and leadership.

Holly has a bachelor's degree in Criminal Justice and holds her master's degree from Regis University in Psychology with studies in Forensic and Organizational Psychology, as well as Adult Learning. Holly attended and graduated from the FBI National Academy in Quantico Virginia in 2014. Holly lives in Douglas County and is married with two grown children and two grandchildren.

## **We've chosen the Warrior Canine Connection to receive donations from our table buckets in January.**

When our troops began arriving home from the Iraq and Afghanistan conflicts with serious physical wounds and mental trauma, WCC founder Rick Yount became convinced that dogs could play a pivotal role in their healing.

In July 2008, he created the first Warrior dog-training program to provide a safe, effective, non-pharmaceutical intervention to help treat the symptoms of post-traumatic stress (PTS) and traumatic brain injury (TBI). The program, based at the Palo Alto VA's Men's Trauma Recovery Program in Menlo Park, CA evolved into a highly respected intervention. To date, thousands of Service Members and Veterans suffering from symptoms of combat stress have participated.

Thank you for your kind support of this national charity with local office.
