# President's Message—March 2020

Hello, DCRW Members!

February has been a month that most of us will not forget because of the visit by our President to Colorado. If you were lucky enough to go and get in, I don't have to explain the feeling to you; if you weren't able to go, I will simply say I have in my lifetime been to many large gatherings, but never have I felt the energy and electricity that I felt in Colorado Springs on the 20<sup>th</sup>.

The feelings, admiration and respect that President Trump and Senator Gardner have for each other was quite evident. They will truly be an asset to each other in helping *us* to reelect both men. I say 'us' because it is going to take each and everyone of us to accomplish this goal. DCGOP has training sessions going on that will aid you in helping to get out the *Republican* vote. Please sign up and then put that knowledge to use.

Magellan Strategies has a [ballot return report](#) out showing returns by Republicans, Democrats and Unaffiliated voters, with various comparisons you might find interesting. Another [report by Ben Engen](#) talks about the ways we spend our campaign funds.

Don't forget to bring your Auction Items for the April meeting auction – and [donation form](#).

Let's **MOVE FORWARD WITH FAITH, HOPE and HARD WORK!**

***Barbara Piper, President  
Douglas County Republican Women***

# March Speakers: Lx Fangonilo and Stephen Mueller

(continued from page 1)

**Lx Fangonilo** is a veteran political operative with years of experience managing and leading political operations at the local, state, and national level across the country. Lx's time working in politics has taken him to several states across the country, including California, Michigan, and Virginia. Lx has been serving as the Executive Director for the Colorado Republican Party under Chairman Ken Buck's leadership since May 2019.

Joining Lx is **Stephen Mueller**, the Regional Field Director for Douglas and Arapahoe county for the Trump Victory Campaign. Stephen is a Colorado native and has lived in Littleton his whole life. Stephen began working with the Colorado Republican Committee in March of 2019 and began with the Trump Campaign in August of 2019. Stephen was raised in a Republican household and intends to work to re-elect President Trump as well as any other Republicans.

## **We've chosen Freedom Service Dogs to receive donations from our table buckets in March and May.**

At Freedom Service Dogs, we unleash the potential of dogs by transforming them into custom-trained, life-changing assistance dogs for people in need. The clients we serve live with disabilities like autism, traumatic brain injury (TBI), multiple sclerosis (MS), muscular dystrophy (MD), Down syndrome, cerebral palsy (CP), spinal cord injuries, and more. **We also serve veterans with post-traumatic stress (PTS)**; however, we do not provide service dogs for non-military civilians diagnosed with PTS. FSD has been recognized nationally for its innovative approach and life-changing work.

Since 1987, FSD has graduated hundreds of client-dog teams. Dogs that are not suitable for service dog work, or "career change" dogs, as we lovingly refer to them, are adopted into forever homes.

Thank you for your kind support of this local charity.

Please note the cutoff for on-time reservations is the  
Wednesday before our meeting, at 8pm.
