# President's Message—March 2021

If ever there was a reason for us to stay informed and to educate those who are not as to what is going on in our country and how much work there is to be done, here it is: Biden and company are set to borrow more money over the next 12 months than the U.S. government borrowed to finance the Revolutionary War, the Civil War, World War I, World War II, and the Cold War combined.

This leads me back to what you are going to hear me repeat over and over, from Albert Einstein, “Life is like riding a bicycle, to keep your balance, you must keep moving.” We cannot sit back and do nothing, we must get on and stay on that Republican bicycle and go forward to accomplish what we must, to take back this country.

I subscribe to The Freedom Action Report, and you can do that also. It is an email report that will be sent weekly through the duration of the legislative session and is an excellent source of information on bills and everything that is going on down at the State Capitol. You can check the website here: <https://coloradofreedomforce.com/stay-informed/2020billtracker/>

If you have not done so, please mark the third Wednesday of every month at 11:30am as busy, ‘DCRW Lunch Meeting.’ Do not let DCRW be something you do when you have nothing else to do—make it your priority. It is important for us all to be there and I am calling on you to attend and to help defend America’s heritage as they are trying to destroy it.

Let’s **MOVE FORWARD WITH FAITH, HOPE and HARD WORK!**

***Barbara Piper, President***

# March Event: Douglas County Commissioners

**You know Commissioners Thomas and Laydon already!  
Learn more about our newest Commissioner, George Teal.**

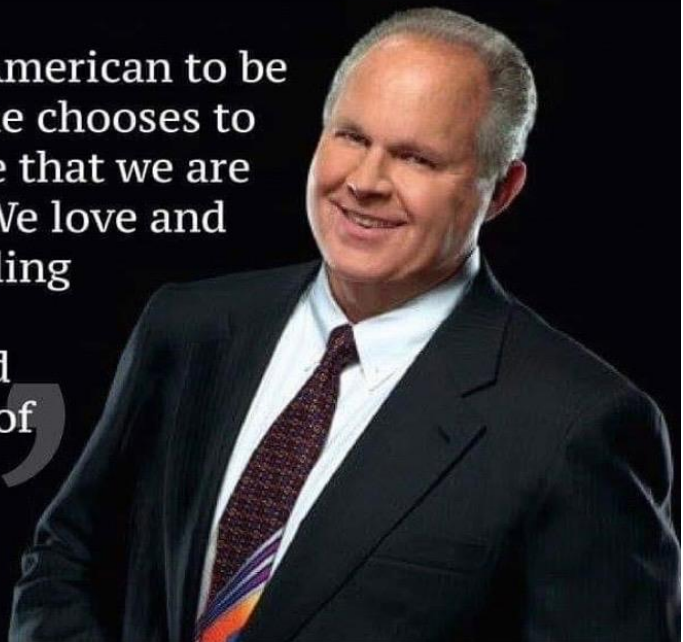

**George Teal** graduated from UNC with a History degree and after 10 years of serving our nation in the Army Infantry, brought his wife back to her home of Douglas County to raise their family.

George has spent twenty years in the IT industry, ran his own successful consulting business, was an Assistant Scoutmaster with the Boy Scouts, volunteered as a loyal GOP Party Activist, and served on the Castle Rock Town Council for 6 years before being elected Commissioner last November.

He's a History Geek, an NRA-Certified Firearms Instructor for Scouts, enjoys cooking, and is grateful - every day - to be able to do this job that he loves.

“We want every American to be the best he or she chooses to be. We recognize that we are all individuals. We love and revere our founding documents, the Constitution and the Declaration of Independence.”

- Rush Limbaugh  
CPAC 2009

Please note the cutoff for on-time reservations is the  
Wednesday before our meeting, at 8pm.  
**PLEASE RESERVE YOUR SEAT TODAY.**
