# Buying or Selling?

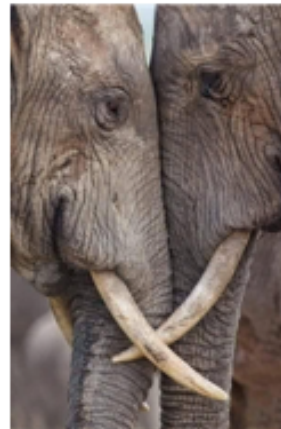

A photograph of Lynn Pender, a blonde woman with a friendly smile, wearing a dark blue button-down shirt. She is positioned in the foreground, partially overlapping a large, modern two-story house with a stone and siding exterior and a two-car garage. The house is set against a clear blue sky with light clouds.

# PRISCILLA RAHN

FOR  
DOUGLAS COUNTY COMMISSIONER

*Protecting & Preserving  
Douglas County's Way of Life*

The government has no money of its own. Every dollar that the government has in its treasury comes from hard-working taxpayers. That is the philosophy that I will bring to any discussion of taxes and spending as your next County Commissioner.

- Douglas County faces some of the largest property tax increases in the state. I support our County Commissioners for their unanimous decision to provide tax relief. I'm proud of them for standing up for taxpayers when the Democrats in charge at the State Capitol wouldn't.
- I opposed the tax-raising Proposition HH for the fraud that it was: a massive tax increase and an end to TABOR refunds pretending to be property tax relief. I'm glad it lost in a landslide.
- I will continue to keep Douglas County a fiscally conservative county that keeps spending in check and taxes low so that we remain the best place in Colorado to live, work, raise a family, and start a business.

## VISION

- Support Law Enforcement and Keep our Community Safe
- Prevent School Violence
- Make Water a Top Priority and Execute a County Water Plan
- Improve Transportation
- Fiscal Responsibility

**LOW TAXES.  
LIMITED GOVERNMENT.  
TAXPAYERS FIRST.**
